

Off-Campus Accommodations

Canada is currently experiencing a housing crisis. This resource is meant to be a starting point to hopefully assist you in finding accommodations for your graduate studies. We cannot guarantee that any of these options will pan out as it will depend on availability, and your financial and personal needs.

For those without their own transportation:

Kings Transit Authority provides regular public transit service to communities in the Annapolis Valley and beyond. For fares, passes, and schedule, please visit: <https://www.kbus.ca/>

It is recommended that you look for housing in the Wolfville, Grand Pre, Greenwich, Port Williams, New Minas, Kentville, or Coldbrook area. These areas are the closest to Acadia's campus. There is also a biking trail in these areas for those that are biking enthusiasts.
